Debtor.	)	Chap. 11
	)	Judge Wedoff

**MOTION FOR ENTRY OF FINAL DECREE**

The Debtor, by and through his attorney, Matthew M. Litvak, requests that this court enter a final decree in this case and in support states as follows:

1. The Debtor filed a voluntary Chapter **13** petition on August 3, 2009 that was subsequently converted to a Chapter 11 proceeding on October 29, 2009.
2. The Debtor's Plan was confirmed on April 14, 2010. The Plan provides for payment of a 21% dividend to general unsecured creditors over a five-year period, and modification of certain secured claims that will be paid over a shorter period on a monthly basis.
3. Administrative claims that have been allowed by the Court have been paid or otherwise resolved.
4. No initial payment to general unsecured creditors has been made pursuant to the confirmed Plan because one quarter has not yet elapsed.
5. The proposed payments and schedule is attached as Exhibit 1.
6. The Debtor has begun to make payments to the secured creditors according to the terms of the Plan
7. Pursuant to Section 1141(d)(5)(A) of the Bankruptcy Code, the Debtor will not be will not be served by keeping this case open until the five-year period for paying general unsecured claims has passed.
8. In addition, the Debtor should not be required to make quarterly payments to the United States Trustee during the five-year period, in which no action will be required by the Debtor, the Court, or the United States Trustee.
9. No payments are too take place beyond the five year term of the plan with the exception of the mortgage on the Debtor's residence which was not modified by the Plan.
10. Given that no reasonable interpretation of Section 1141(d)(5)(A) would

contemplate that the Court keep this case open, or withhold granting of a discharge, for the 30 years during which the Debtor will be paying long-term debt, the Debtor should be entitled to a discharge after completion of payments to general unsecured creditors.

WHEREFORE the Debtor prays that the Court enter a final decree and direct the Clerk of the Court to close the case, with leave to reopen the case without payment of a reopening fee for the sole purpose of entering a discharge upon completion of all payments to general unsecured creditors under the confirmed Plan, or otherwise as provided by Section 1141(d)(5).
